Languages: C, C++, Java, JavaScript(ES6+), TypeScript

Technologies & Tools: React.js, Node.js, Bootstrap, Tailwind CSS, Git, GitHub, Axios, VS Code, npm and yarn

Education

Master of Computer Application   Jul 2024 - Present
Arunachal University of Studies, Arunachal Pradesh
Relevant Coursework: OOP, Java, Databases, DSA, Computer Networks, Machine Learning, Data Mining, Unix and Shall

Diploma in Information Technology   May 2022 – Jan 2023
Lal Bahadur Shastri Training Institute, Noida Sec-22
Relevant Coursework: C and C++, Java, DHTML, Visual Basic

Bachelor of Arts   Jun 2018 – Dec 2021
Deen Dayal Upadhyay Gorakhpur University, Gorakhpur (UP)

Project Work

- **Restaurant Management System (self-Learning):** Developed a Restaurant Management System using JavaScript, DOM manipulation and event handling, enabling customers to browse menus, place order easily and streamline the ordering process without hassle. Implemented interactive UI element for better user experience.
- **React AuthFlow App (self-Learning):** Developed a user authentication system using React with signup, login and protected profile access. Implemented form validation, authentication guards and session-based access control to restrict unauthorized users from accessing protected routes. Used React, React-router-dom, Axios, React-Toastify and icons.
- **Ecommerce Shopping App (self-Learning):** Developed an e-commerce web application with product listing and cart management, improving features like add to cart, remove and update using Context API for state management. Designed a responsive UI with styling. Ensured cart data persistence with local storage and enhanced user experience with react-toastify notifications.

Work Experience

Ajayvision Education pvt ltd. (VisionIAS)   Mar 2023 – Apr 2024
Data Entry Executive

- Strong attention to detail, ensuring data accuracy and complete through thorough review and verification.
- Efficient and accurate data entry Google Spreadsheets and specialized software.
- Organized management of larger datasets with effective filling system.
- Adapted to shifting priorities and met tight deadlines effectively.
